

Absolute Media (UK) Ltd.

We gave ABSOLUTE MEDIA (UK) LTD. a near-impossible task to reach as many people as possible in our area, without breaking the bank for our Feb 2020 Sale Event.

ABSOLUTE MEDIA (UK) LTD. did that and then some. They made the experience really easy, they booked the airtime, produced the advert, advised us on how to get the best out of the radio and most importantly, negotiated the best price with the radio stations.

As a result, our Sale Event was a huge success that sold over 100 cars in a single weekend, with multiple customers saying that they heard our advert on the radio and it was refreshing to hear something a little different that really captured their attention.

Will definitely be using ABSOLUTE MEDIA (UK) LTD. again for our future events.
